Dickson **Rutha**

Software Engineer · Tanzania

Websites · Systems · Apps

Let's build your website or system.

Clean websites and business systems that take orders, accept payments and keep your customers informed.

WHAT I CAN BUILD FOR YOU

Websites

Modern company websites that look great on any phone.

Business systems

Sales, stock, bookings and reports in one place.

Mobile apps

Android and Flutter apps for your team and customers.

Online payments

Mobile money and bank payments built into your site.

WhatsApp bots

Take orders and answer customers automatically.

SMS & alerts

Receipts, reminders and updates sent by SMS.

Trusted by businesses like **Ecowater International**, **Gasify Energy**, **DataFarm**, **Safari Nodes** and **OneKite**.
